

Most of the 116 Million Americans in Chronic Pain are Getting the Wrong Treatment

The wrong treatment can prolong suffering, cause serious harm or even kill. The right treatment can eliminate pain and promote vibrant health.

Story/Show Ideas

- Why doctors should stop prescribing painkillers!
- How using your brain can help heal your pain.
- The power of biofeedback: what it is and how it can help you heal your pain.
- The 5 best treatments for healing your chronic pain.
- The five best self-help tools for healing pain.
- How the Pain Treatment Parity Act can help you.
- What most doctors don't know about pain and how that can hurt you.

Media Experience

- TV appearances, including PBS
- Radio interviews, including Sirius XM and RadioMD
- Professional conference and Grand Rounds presentations
- Public speaking and classroom presentations
- Blogs and columns including NaturalNews.com and Pain News Network
